EDUCATION

~ Organizations ~

Bound by vows, may we become
Still closer, 'til our friendship be
A fortress guarding us from harm
May we grow better constantly
Through our contact with the best
And may affection be so warm
Between us, that fraternity
Will ne'er diminish through
the years.

A charmed circle now we stand
And may we, though an eon pass,
Still hold in our fidelity:

5 The greatest sages lacked not mirth
The wisest men upon the earth
Enjoyed a bit of gaiety. ~~~
And beauty always gains renown
As old King Solomon once found,
If judged by variety ~~~
Of charmers that he gathered round.
So on these pages now repose
In fine display all of those ~~~
Who highest honors share
For being clever, wise or fair.

## *Treasured Memories*

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
